PARTWORK SERIES

Partwork series are fundamental for Kossuth’s core business. The series, of which two or three are running simultaneously, comprise arts, Hungarian and international history, literature, sciences, health care and general reference. We have licensed several internationally renowned partwork series but we take special pride in our in-house developments.

SOME TITLES:
The History of Hungary (24 vols.) / Masters of Hungarian Painting (26 vols.)
An Anthology of Hungarian Poetry (20 vols.) / An Anthology of Hungarian Prose Fiction (26 vols.)
